

Dear Contractor,

BP - Gulf of Mexico Business Units (BP GoM) has recently updated the grading criteria in ISNetworld used to assist in evaluating contractors. Please find the updated grading components below:

Grading Components:

- EMR Letters
- RAVS Safety Program
- HSE Culture Questionnaire
- HSE Statistics Questionnaire
- Drug & Alcohol Questionnaire
- SK Management System Review (Evaluation Report)

Company Grade:

- Green – Contractor company is acceptable for use
- Yellow – Contractor company will require a performance improvement plan
- Red – Contractor company may be suspended from being able to perform work

You may view your company's grade, specific to BP GoM by completing the following steps:

1. Grades are located under the "My Clients" section of your Home Page
2. Click on the grade next to BP – Gulf of Mexico Business Units
3. View the desired information

Your company's grade may simply be a result of missing or incomplete information. If your company has an unsatisfactory grade, please verify that you have answered the Questionnaire in its entirety, completed the RAVS Safety Program Review with a 100% review score, and submitted OSHA and EMR documentation.

If you have any questions, please reference the Help Menu within your ISNetworld account or contact the ISN Customer Service Team at (800) 976-1303 or email customerservice@isn.com

Sincerely,
BP – Gulf of Mexico Business Units
